AMELIA AND KYESHA

Hi! Thank you so much for being interested in working with us! I'm Amelia (on the right) and I'm the owner and lead photographer here at A. June Photography. I'm blessed to work with a very talented team of associate photographers. Kyesha(on the left) is our second shooter for all weddings. We are passionate wedding and portrait photographers who love to capture precious moments in one's life that can't be remade or replaced. Our goal is to create an enjoyable experience for each and every one of our clients so they can leave with joyful memories not only in their hearts, but in their hands as they look back on their photos.

We hope to work with you soon!

-Amelia + Kyesha
